#### RULES

Riders will complete a course of show jumps then proceed onto the cross country field to complete a course of working hunter and cross country fences.

The show jumping section will be timed & have an optimum time. 1 penalty will be incurred for every second over / under the optimum time. (only in the event of a jumping penalty tie)

The cross country phase will include a style fence—this will be judged and a mark out of 10 given by the judge. Penalties will be as follows 10/10=0    9/10=+1    8/10=+2    7/10=+3 and so on.

Individual rider rankings will be determined by jumping penalties. In the event of a jumping penalty tie individual rankings will be determined by style jump penalties and if this is still a tie then show jumping timing penalties will be the deciding factor.

Teams of four with the best three rider penalties scores to count. These will be added together to create a team penalty score.
